- (f) The Corporation agrees that no revenue received by the Corporation from the operation of the said building shall be expended for any other purpose than for the necessary operational expenses, repairs, improvements, etc., of the building and for the purpose of retiring the bonds, debentures and other forms of indebtedness and interest thereon and incurred for such building. Any surpluses shall be used for the said purposes and no dividends shall be paid. If at the time of turning over the building to the City any surpluses exist, the same shall be paid to the City after providing for debts and the cost of winding up the Corporation;
- (g) The Corporation agrees that no fees, wages or salaries shall be paid to the Directors or officers of the Corporation as Directors or officers, and that wages and salaries paid by the Corporation shall be reasonable and be paid only to those persons actually engaged in the maintenance and operation of the said building;

Provided that if the non-operation of the said building arises by reason of strikes, lock-outs, fires or acts of God the calculation of the said period of six successive months shall be suspended during the time during which such causes existed;
- (m) The demised premises shall not, during the currency of the said lease be subject to municipal taxes, except for charges under *The Local Improvement Act*, which the Corporation agrees to forthwith pay as the same may fall due. Provided nothing herein shall exempt tenants from business tax;
- (n) The Corporation will at all times keep the premises insured in their full insurable value against fire, together with full supplemental coverage, and in the event of loss or damage such insurance will be applied in full to the restoration of such loss or damage;
- (o) The Corporation will offer employment to the Market Clerk and the Deputy Market Clerk at wages comparable to those now being received, excepting pension, or upon such other basis as may be mutually arranged.

11. The City shall be deemed to have an equity in the building equal to the sum of the bonds as may be retired from time to time; provided that control of the operation of the building shall not thereby be altered, nor shall any obligation upon the City be deemed to arise thereby.

12. The City undertakes that it will apply to the Legislature of the Province of Ontario for legislation validating this agreement and authorizing and empowering the parties to carry out and perform the same. This agreement shall not come into force or take effect unless and until the coming into force of such legislation.

IN WITNESS WHEREOF the parties hereto have hereunto caused to be affixed their respective corporate seals, attested by the hands of their respective proper officers.
